

Single Family Residential Gas Service Application

This application is for modifying existing gas service or requesting new gas service for a single family dwelling on a single parcel. This includes mobile homes, manufactured homes and accessory dwelling units (e.g. mother-in-law apartment). Refer to the guidelines provided on [PSE's website](#) for current PSE utility installation standards, requirements and customer responsibilities.

*Fields identified with an * are required for submittal of the application.

*Signature of Party Responsible for Construction Charges (Typed Signature is Acceptable)					*Date

I understand this application and the information provided herein is a preliminary step to obtain information about natural gas service and that it is not an agreement to use gas or have gas installed. If I decide to have gas installed, a gas contract will be sent for signature and that agreement will be the official notice to proceed with gas installation. For more information about PSE's privacy policy, please visit <https://www.pse.com/pages/privacy>

I understand that completing this box constitutes a legal and binding signature confirming that I acknowledge and agree to the above terms.

Electronic application submission via the above button or as an attachment to NewServiceApplications@pse.com is the preferred and most efficient method for application submission. If that is not possible, you may mail or fax your application and site plan.
