Local Engagement

Intentional and authentic community engagement focused on energy efficiency, renewables and safety/emergency preparedness. We introduced our 50 percent by 2040 carbon-reduction plan, completed an anaerobic bio-digester pilot project and promoted our residential and commercial energy efficiency programs. Highlights included the 3-day Bainbridge Prepares event, as well as being recognized by the Bainbridge Island Chamber of Commerce as *Large Business of the Year*.

Events

We were proud to participate in 115 events locally, including the first Climate Matters event, Grand Old 4th on Bainbridge Island, and Bainbridge Island Rotary Auction and Rummage Sale. We sponsored a High Voltage Safety Training event, as well as over a dozen courtesy knocks, targeted blitzes and a home show.
