Local Engagement

PSE supported both Rebuilding Together South Sound and Habitat for Humanity, whose mission is to help keep people in their homes or to become homeowners. PSE also provided workshops and information to these new homeowners on how to keep their homes energy efficient and reduce their energy consumption.

In addition to non-profit support, PSE is on the front lines with our first responders helping to educate communities on both natural gas and electricity and how to stay safe around both energy sources. We are proud to partner with West Pierce Fire and Rescue, Puyallup Emergency Management, Fife Police Department, Pierce County Emergency Management and many other community heroes helping to make their jobs a little easier.

Events

We were proud to participate in 75 events locally, including the Pierce County Fair, Tehaleh Sustainable Fair and Puyallup Farmers Market Safety Days.

Community Investments and Powerful Partnerships

PSE invested over **\$197,000** in **sponsorships** and **Foundation grants** locally in 2018.

Highlights included our Powerful Partnerships with Korean Women's Association, Youth Marine Foundation, Harbor Wild Watch, Washington Trails Association and Volunteers of America Western Washington.
