Local Engagement

National Night Out at Willis Tucker Park was a great success with over 2,000 people attending. PSE educated customers on energy related topics and let attendees explore our Touch-A-Truck!

We also attended the inaugural year of the Mill Creek Farmers Market in August and handed out prizes to those that answered energy related questions with our prize wheel. We provided safety information, a table-top electric safety demonstration and a Gas First Response technician with service truck at the Fair on 44th in Lynnwood in September too.

Events

We were proud to participate in 32 events, including Lynnwood 44th Street Fair and Boys & Girls Club of Snohomish County Alderwood Carnival.

Community Investments and Powerful Partnerships

PSE invested nearly **\$124,000** in **sponsorships** and **Foundation grants** locally in 2018.

Highlights included our Powerful Partnerships with Boys & Girls Clubs of Snohomish County, WSU Snohomish County Extension, and Volunteers of America Western Washington. We also supported several local food banks from Mukilteo to Monroe with events to help clients take advantage of our programs. PSE awarded Gold Creek Church with a grant to purchase a backup generator to become a Red Cross Shelter for the community during an emergency.

TOGETHER we're creating a better energy future

Your support has helped us launch countless projects aimed at creating a better energy future, throughout this state we all call home. We know you care as deeply about environment as we do, and that's why we're committed to working together to help preserve and protect the environment for future generations.

Let's see how much we can accomplish TOGETHER.

Save energy and money on your bill

Begin by signing up for a free home energy assessment. Learn how to save more at **pse.com/rebates**.

We help businesses with energy efficiency incentives, custom grants and rebates. Improve your space from the ground up beginning with an energy assessment.

Visit **pse.com/mybusiness** to begin your journey!

Renewable energy programs

Now making a positive difference is within reach. Our renewable programs are designed so you can reduce your carbon footprint, while supporting the growth of renewable energy projects in our region.

Find the program right for you at **pse.com/renewables**

Electrify your ride with PSE Up & Go Electric

Sign up for our newsletter to get the latest electric car charging info and tips.

Calculate your financial savings potential and carbon reduction.
