## Local Engagement

PSE commissioned local artist Gretchen Leggitt to complete Washington State's largest mural on the Encogen Facility at Bellingham's Waterfront. This initiative was designed to reduce graffiti cleanup costs, while supporting PSE's carbon reduction campaign.

In recognition of the City of Bellingham's successful Green Power Challenge and in partnership with the Parks and Recreation Department, PSE installed an 8.1kW solar system on Taylor Dock. Members from the boating and bicycling recreation community supported the event by paddling and pedaling the solar panels from the manufacturer to the site.

## TOGETHER we're creating a better energy future

Your support has helped us launch countless projects aimed at creating a better energy future, throughout this state we all call home. We know you care as deeply about environment as we do, and that's why we're committed to working together to help preserve and protect the environment for future generations.

Let's see how much we can accomplish TOGETHER.

### Save energy and money on your bill

Begin by signing up for a free home energy assessment. Learn how to save more at **[pse.com/rebates](https://www.pse.com/rebates)**.

We help businesses with energy efficiency incentives, custom grants and rebates. Improve your space from the ground up beginning with an energy assessment.

Visit **[pse.com/mybusiness](https://www.pse.com/mybusiness)** to begin your journey!

### Renewable energy programs

Now making a positive difference is within reach. Our renewable programs are designed so you can reduce your carbon footprint, while supporting the growth of renewable energy projects in our region.

Find the program right for you at **[pse.com/renewables](https://www.pse.com/renewables)**

### Electrify your ride with PSE Up & Go Electric

Sign up for our newsletter to get the latest electric car charging info and tips.

Calculate your financial savings potential and carbon reduction.

Learn about exclusive electric car events.
