Local Engagement

Each year your local PSE team reaches out to residential, commercial and industrial customers as well as government agencies. The goal of this outreach is to exchange information on major projects, ways to conserve energy and renewable energy options. We also partner with organizations that strengthen the fabric of our communities such as downtown associations, chambers of commerce, non-profits and foodbanks. 2020 highlights for this county include participating in the Tacoma Pierce County Chamber's COVID rapid response biweekly calls, Pierce County Library System's Trivia BEE: Home Edition, and Band Together: Small Business Relief Concert Series.

Events

We are proud to participate in local events such Tacoma's Virtual Pride and Sound Outreach's Understanding Utilities webinar. In addition, we make dozens of presentations to organizations ranging from staff meetings to city councils to home owner associations.

Community Investments and Powerful Partnerships

PSE and the PSE Foundation invested over **\$321,000** to help this county respond and recover from the COVID-19 pandemic. The foundation also donated \$200,000 to the Washington Food Fund, and \$100,000 to All In Washington.

Our 2020 Powerful Partners, Harbor WildWatch and Rebuilding South Sound received \$10,000 in total.
