## Local Engagement

Each year your local PSE team reaches out to residential, commercial and industrial customers as well as government agencies. The goal of this outreach is to exchange information on major projects, ways to conserve energy and renewable energy options. We also partner with organizations that strengthen the fabric of our communities such as downtown associations, chambers of commerce, non-profits and foodbanks. A 2020 highlight for Skagit County was awarding a Green Power Solar Grant to Anacortes Housing Authority for its Harbor House project.

## Events

The Community Emergency Response Team training in Mount Vernon included an electric/gas safety presentation by PSE, an Electric Safety Demo at the STEM Family Night in Sedro-Woolley and a Zoom presentation to Skagit Rotary on electric safety. In addition, we make dozens of presentations to organizations ranging from staff meetings to city councils to homeowner associations.
