Local engagement

Your local PSE outreach team works with residential, commercial and industrial customers as well as government agencies and other community partners to connect them with PSE programs to save energy and reduce carbon emissions.

2021 highlights include the partnership with Oak Harbor Main Street Association to supply 20 businesses with energy efficient installs, leading to nearly \$50,000 in rebates and incentives.

Events

We share our program information through dozens of presentations to organizations, ranging from staff meetings to city councils to home owner associations.
