Local engagement

Your local PSE outreach team works with residential, commercial and industrial customers as well as government agencies and other community partners to connect them with PSE programs to save energy and reduce carbon emissions.

In 2021, we partnered with the Seattle Kraken on our Light the Lamp program to reduce barriers for youth sport and activity programs, providing funding to over 40 nonprofits across the region.

Events

We are proud to participate in local events including sponsorships of 8 holiday lighting installations in Bellevue, Kirkland, Issaquah, North Bend and Redmond. In addition, we share our program information through dozens of presentations to organizations ranging from staff meetings to city councils to home owner associations.

Community investments and Powerful Partnerships

The PSE Foundation (PSEF) has doubled their annual charitable contributions for a second year, and PSE and PSEF invested over **\$1.7 million** to help King County respond and recover from the COVID-19 pandemic.

Our local 2021 Powerful Partners were Habitat for Humanity, One Redmond Foundation, South King Tool Library, and Global to Local for a total of \$54,500.

TOGETHER, we're creating a clean energy future for all.

PSE is committed to creating a clean energy future for customers and neighbors across the region. Thank you for caring for your home and community by building better, using less energy and maximizing our programs and products every day. We're doing our part by investing in innovative solutions to reduce carbon emissions so that we can continue to provide safe, clean and reliable energy. Thanks for doing your part!
