Local engagement

Your local PSE outreach team works with residential, commercial and industrial customers as well as government agencies and other community partners to connect them with PSE programs to save energy and reduce carbon emissions.

2021 highlights include the construction of the Kittitas Community Solar Project and celebrating the Wild Horse Wind Facility's 15th anniversary.

Events

We are proud to participate in local events like the the Cle Elum Farmers Market and the Run Like the Wind Running Festival. In addition, we share our program information through dozens of presentations to organizations ranging from staff meetings to city councils to home owner associations.

Community investments and Powerful Partnerships

The PSE Foundation (PSEF) has doubled their annual charitable contributions for a second year, and PSE and PSEF invested over **\$147,000** to help Kittitas County respond and recover from the COVID-19 pandemic.

Our local 2021 Powerful Partners were the CWU Foundation, and Mountains to Sound Greenway for a total of \$15,000.

TOGETHER, we're creating a clean energy future for all.

PSE is committed to creating a clean energy future for customers and neighbors across the region. Thank you for caring for your home and community by building better, using less energy and maximizing our programs and products every day. We're doing our part by investing in innovative solutions to reduce carbon emissions so that we can continue to provide safe, clean and reliable energy. Thanks for doing your part!
