Local Engagement

Your local PSE outreach team works with residential, commercial and industrial customers as well as government agencies and other community partners to connect them with PSE programs to save energy and reduce carbon emissions.

A highlight in 2021 included working with the community on local emergency response readiness.

Events

We are proud to participate in local events such as Choose Local Black Friday. In addition, we make dozens of presentations to organizations ranging from staff meetings to city councils to home owner associations.
