## Local Engagement

Your local PSE outreach team works with residential, commercial and industrial customers as well as government agencies and other community partners to connect them with PSE programs to save energy and reduce carbon emissions.

In 2021, we partnered with Homage and the Boys & Girls Club of Snohomish County to help customers become more energy efficient.

## Events

We share our program information through dozens of presentations to organizations, ranging from staff meetings to city councils to home owner associations.

## Community Investments and Powerful Partnerships

The PSE Foundation (PSEF) has doubled their annual charitable contributions for a second year, and PSE and PSEF invested over **\$279,000** to help Snohomish County respond and recover from the COVID-19 pandemic.

Our 2021 Powerful Partners included WSU Extension Snohomish, receiving a total of \$7,500.
