

2021 PSE INTEGRATED RESOURCE PLAN

Appendix A Table 3 - Updated

PSE is following methodology from the International Association of Public Participation (IAP2) for implementing its 2021 IRP public involvement process. PSE will utilize its website pse.com/irp to inform stakeholders of IRP progress at key decision points. The table below includes topics where PSE will consult and involve stakeholders to provide input on certain IRP components. Select inform topics are also included. This table and the website pse.com/irp will be updated as the IRP process progresses. PSE encourages stakeholders to visit the website regularly.

This schedule will be updated in November 2020 with additional meeting dates and topics between January and April 2021.
