

Gas space heat rebates

Thank you for your commitment to energy efficiency

If you have questions about the rebate application, you can:

- 1) Contact an Energy Advisor at **1-800-562-1482** Monday through Friday 8 a.m. to 5 p.m.
- 2) Review rebates qualifications by category at pse.com/rebates

General qualifications

- You must be a current PSE single family residential natural gas customer. Single-family new construction, multi-family (5 or more attached units) and commercial accounts are not eligible.
- Rebate application must be submitted within 30 days of purchase.
- Rebates only available on new, qualifying equipment.
- Equipment installed in manufactured homes must apply on a different rebate application. Please visit pse.com/rebates/manufactured-homes.
- Equipment that is replaced under warranty will not be eligible for second rebate.
- One rebate per qualified single-family residence.
- Cannot be combined with any other rebates except where noted.
- Must install to comply with all federal, state and local code requirements.
- Rebate cannot exceed the pre-tax purchase price of any rebated product.

Equipment qualifications

Furnace

- You must install an AHRI or ENERGY STAR® certified natural gas furnace with 95% annual fuel utilization efficiency (AFUE) rating or better on or after January 1, 2022. Equipment installed in 2021 may be eligible at reduced rebate amounts..
- Any natural gas furnace installed with a new or existing heat pump is not eligible for a rebate.

Boiler

- You must install an AHRI or ENERGY STAR certified natural gas boiler with 95% AFUE rating or better on or after January 1, 2022.
- Indirect water heaters installed off of boiler are not eligible for additional rebate incentives. Standalone water heaters are still eligible provided it meets efficiency requirements.

Integrated space & water heater

- You must use a single source ENERGY STAR or AHRI .91 EF certified natural gas tankless water heater or a single source ENERGY STAR and 95% AFUE certified natural gas boiler for both home heating and water heating.
- Your integrated space and water heating system must be your primary heating source AND provide direct domestic hot water to your home.
- Completely hydronic/radiant or a combination of forced-air and hydronic/radiant systems are eligible.
- Indirect or storage (tank) water heaters are not eligible.

Fill out your account, name, address and home information

Account # (where equipment is installed)				Name (check payable to)			
Address (where equipment is installed)				City		State	Zip
Mailing address				City		State	Zip
Email address (customer/account holder)				Phone # (customer/account holder)			
Installation date _____		Year home was built _____		Square footage of home: _____			
Heating fuel type prior to rebate		Electric	Natural gas	Propane	Wood	Oil	
Heating equipment prior to rebate		Baseboard	Cable	Wall heater	Electric hydronic	Integrated space & water heat	
		Heat pump	Ductless heat pump	Forced air furnace	Boiler		

Select the rebate product(s) you are applying for.

Gas home heating		
Furnace (\$700)	Boiler (\$700)	Integrated space and water heater (\$800)

Attach a copy of your paid installation invoice and purchase receipt for your installed product(s).

It must include: an installation date, brand, model number(s) of all rebated equipment, and amount paid.

Sign the terms and conditions

I acknowledge that the product(s) described above have been purchased and installed at the location indicated. I understand that PSE provides rebate incentives for measures that are designed to save energy but I acknowledge that estimated energy savings are not guaranteed and I understand that PSE has made no express warranties or representations with regard to these products or their installation. I acknowledge that I am responsible for meeting applicable code requirements, determining the adequacy of installation, and paying all amounts owed to contractors/suppliers. Further, I understand that this is a tariffed service and is subject to change or termination without prior notice. PSE reserves the right to inspect any installation prior to rebate approval and/or after rebate payment and I agree to provide PSE reasonable access for such purposes. I authorize PSE to release my customer account information, including my billing and energy usage information, to an independent, third-party evaluator solely for the purposes of evaluating this rebate program, confirming energy savings and for other quality assurance purposes. The disclosure of your private information will comply with PSE's privacy policy and state regulation.
