

Natural gas water heat rebates

Thank you for your commitment to energy efficiency

If you have questions about the rebate application, you can:

- 1) Contact an Energy Advisor at **1-800-562-1482** Monday through Friday 8 a.m. to 5 p.m.
- 2) Review rebates qualifications by category at pse.com/rebates

Customer requirements

- You must be a current PSE residential natural gas customer.
- Applies to existing single family properties only. Single-family new construction, multifamily (5 or more attached units) and commercial accounts are not eligible.

Equipment requirements

- Qualifying gas equipment must be installed in PSE's gas service area.
- Rebates only available on new, qualifying equipment.
- Must install to comply with all federal, state and local code requirements.
- Equipment that is replaced under warranty will not be eligible for a second rebate.
- Natural gas storage water heaters must be ENERGY STAR qualified.
- Natural gas tankless water heaters must be ENERGY STAR qualified.

Rebate requirements

- Rebate application must be submitted within 30 days of installation.
- If instant rebate is provided by contractor, you will not be eligible for an additional rebate.
- One rebate per qualified single-family residence.
- Cannot be combined with any other rebates except where noted.
- Rebate cannot exceed the pre-tax purchase price of any rebated product.

Fill out your account, name, address and home information

Account # (where equipment is installed)				Name (check payable to)			
Address (where equipment is installed)				City		State	Zip
Mailing address				City		State	Zip
Email address (customer/account holder)				Phone # (customer/account holder)			
Type of home		Single family	Manufactured	Year home was built		Install date:	
Water heating fuel prior to rebate		Natural gas	Electric	Oil	Propane		
Water heating equipment prior to rebate		Storage	Tankless	Heat pump	Boiler	Self-installation	

Select the rebate product(s) you are applying for and enter product information

Water heating	
ENERGY STAR certified storage tank water heater (\$50)	Equipment model number(s)

Attach a copy of your final paid installation invoice and receipt

Your installation invoice and receipt must include an installation date, brand and model number(s) of all rebated equipment.

Sign the terms and conditions

I acknowledge that the product(s) described above have been purchased and installed at the location indicated. I understand that PSE provides rebate incentives for measures that are designed to save energy but I acknowledge that estimated energy savings are not guaranteed and I understand that PSE has made no express warranties or representations with regard to these products or their installation. I acknowledge that I am responsible for meeting applicable code requirements, determining the adequacy of installation, and paying all amounts owed to contractors/suppliers. Further, I understand that this is a tariffed service and is subject to change or termination without prior notice. PSE reserves the right to inspect any installation prior to rebate approval and/or after rebate payment and I agree to provide PSE reasonable access for such purposes. I authorize PSE to release my customer account information, including my billing and energy usage information, to an independent, third-party evaluator solely for the purposes of evaluating this rebate program, confirming energy savings and for other quality assurance purposes. The disclosure of your private information will comply with PSE's privacy policy and state regulation.
