

Pay for Performance (P4P) Program Application

I. PSE Customer Information

Business name			
Project street address	City	State	Zip
Primary contact person			
Email	Phone		
Grant payment mailing address (if different)	City	State	Zip

II. Site Information

Account #	Meter #	Gas / Electric	Area served
		Gas Electric	
		Gas Electric	
		Gas Electric	
Facility area (square feet)		Building type	

AUTHORIZATION TO RELEASE ENERGY USE AND BILLING INFORMATION: I approve of the release of utility information related to my energy use and/or billing history for the meters associated with above Statement Account Number(s) to the Application Preparer for purposes related to this project.

PSE customer signature	Title	Date
Person/Company completing this form		Application date

Note: New construction projects or sites undergoing a major remodel are not eligible for P4P.

Minimum qualifications*:

Building has at least 50,000 conditioned square feet OR uses significantly more energy than a typical office building (e.g., 24/7 facility, museum, medical facility)
Proposed capital projects must result in energy savings of at least 15 percent
Maintenance and/or Facilities staff is available to implement measures or contract a service provider to do so
Customer is able to financially and technically implement capital projects within one year of signing a grant
Building is at least 75 percent occupied
Building use has been stable over the last year and is expected to be for the next five years. If not stable, billing history can be adjusted for changes that affect energy use. (Examples include occupancy, schedule, tenant, TI etc.)
Building is separately metered

Pay for Performance (P4P) Program Application

List energy savings opportunities (may be submitted on a separate sheet)

Please include details about how savings estimates were developed and a timeline for installation. Be prepared to submit savings calculations to PSE.

Project name	Measure	Est. project cost (\$)	Est. energy savings (kWh or therms)	Project description and timeline	Contact name, email and phone

List service contract terms & costs (if applicable):

Service provider name	Contract duration	Costs

Give basic description of facility:

Number of buildings/systems in project, general hours of operation, HVAC type, lighting controls type, use of building, total number of computers in use, percent of space used to house servers

List changes in use or equipment in the past year and those expected in the next 5 years:

Explain briefly how one would adjust for this change in a billing savings analysis.

List the building's audit history:

List the most recent audit date and any relevant opportunities discovered during the audit. These may be comfort issues, air quality, major systems operating when not needed, high usage at night, etc.

Other comments/notes:

FOR PSE USE ONLY		
Overall assessment	Proceed with P4P program	Do not proceed with P4P program
Major reasons		

*Meeting minimum qualifications does not guarantee participation in the program.
