Thank you for your commitment to energy efficiency

## Attach the following to apply for PSE's Pre-Approval:

Please review [pse.com/occupancytstat](http://pse.com/occupancytstat) under 'Project Pre-Approval requirements' and 'How you apply' for additional details.

- This Rebate Pre-Approval Application
- Product Specification Sheets and/or Programming Manuals for proposed equipment
- Quote\* or Invoice for thermostat equipment showing:
  - » Manufacturer and model number
  - » Itemized unit costs
- W-9 Tax Identification Form

\*A Quote is acceptable in the Pre-Approval stage of your project if the equipment has not yet been purchased, however a final Invoice will be needed before confirmation of rebate amount\* prior to payment.

\*Any PSE's pre-approved rebate amount is subject to change in the event that equipment pricing on final invoicing differs from previously submitted quote or invoice. PSE rebate will be based on final invoice equipment pricing.

After the above is received by PSE and it meets the qualifications, a rebate pre-approval notification will be sent to you to proceed with equipment installation and programming. If any of the above is incomplete or does not qualify, you will receive a notification with an explanation and/or instructions for next steps.
