

Electric hybrid heat pump water heater rebate

Special offer: We've partnered with other local utilities to reduce the price of qualifying high efficiency hybrid electric heat pump water heaters by \$500 with an instant rebate at these participating The Home Depot and Lowe's stores. If you buy a qualified hybrid electric heat pump water heater at one of these stores, you'll save \$500 right at the register (see [price list](#) at bottom for examples). There's no need to submit an application, receipt, or proof that the product you bought is eligible.

Additional restrictions apply. Please visit pse.com/instant for more information. Prices listed are for reference only. Additional discounts may be applied by the retailer. Please consult your local retailer for up to date pricing and product availability.
