Income Qualification Form

To be completed by customer

This form must be completed prior to work beginning in the Efficiency Boost incentive track.

I, _____, am a Homeowner or Tenant, and am aware of the following three options and sources of funds available for energy efficiency home improvements as a PSE customer:

- **Bill & Weatherization Assistance:** A community action agency can provide certain upgrades at no cost due to access to additional state and federal funds, but requires customers to prove that their household income is 200% of the Federal Poverty Level or 60% of Washington State Median Income (whichever is greater).
- **Efficiency Boost:** PSE's Efficiency Boost incentive track is designed to provide the highest level of assistance for moderate income customers who are not eligible for low Bill & Weatherization Assistance programs.
- **Standard Rebates:** PSE offers financial incentives to all PSE customers without income qualification requirements.
